NATIONAL O.A. CONFERENCE - AUGUST 27TH
THRU 31ST AT BLOOMINGTON, INDIANA
"TRULY A GRET EVENT"

The 50th Anniversary National Conference of the Order of the Arrow held at the University of Indiana this past summer and was formally opened with a keynote address by Joseph A. Brunton, Jr., Chief Scout Executive. He described the Order of the Arrow as a "service" dedicated to Camping that has become a legend of success. He challenged us not only to find the unlimited resources of the world around us, but also that of our spirits, minds, faiths, and bodies. He also exclaimed that the 50th National O.A. Anniversary is dedicated... "To be mindful of our high tradition!"

Attending from Sippo Lodge were Bob Carmany-Lodge Advisor, Paul Trubey, Pierre Denayer, Kirt Gerber, John Paul, Daryl Mast, Ray Swihart, Tim Swihart, Henry Bunting, Jim Weyant, Lee Roach, Ernie Enold, Robin Fisher, Howard Rubin, Dick Wiseman, Bob Green, Rick Haueter, John Diem, and Ken Yeaman.

We had a wonderful time. Every minute was filled to the brim. It was 10 days packed into 4½. The University was like the finest of Hilton Hotels. Every meal was like a banquet...with as much as you wanted to eat.

We were quartered in McNutt Quadrangle with the huge cafeteria a few steps away. We met Arrowmen from all over the United States, Alaska, and the Virgin Islands; each one friendlier than the last. Many ideas were exchanged during the numerous excellent periods.

Ray Swihart and Dick Wiseman presided over several sessions and did a fine job. It was good to have a nice chat with Mike Costello--National Conference Chief, Dr. E. Urner Goodman--Founder of O.A., one of the conference speakers--John Miltner--Area 4A Conference Chief, and Wm. E. Slesnick--National Committeeman who was in charge of the Camping Carnival. He is a Professor at Dartmouth.

There was so much going on that it is impossible to relate all of the happenings and events. The Indian Dance Teams and individual dancing were tops.

Henry Bunting and Pierre Denayer were official reporters and attended press sessions. Robin Fisher did most of the official taping for the Conference.

Patch trading was done and authorized by the National Committee. They even had one of the sessions devoted to Patch Collecting and Ethics. Huge patch trading sessions after the evening programs were held at each Quad Building.

If ever the opportunity arises again for any of you Arrowmen to attend a National Conference, don't pass it up... it is a thrilling adventure never to be forgotten.

FALL FELLOWSHIP
SATURDAY, NOVEMBER 6TH - CAMP BUCKEYE

With hundreds of Ordeal Members seeking service hours for Brotherhood, the Annual Fall Fellowship will be an opportune time to pick up needed hours. Check-in time will be at 8:30 A.M. to 8:45 A.M. at Buckeye.

We will have a lot of fun and fellowship as well as getting some work done on our Ceremonial Rings. Vigil and Brotherhood Members are needed greatly to supply their know-how and supervision.

Lunch will be served for a small fee. We will check out about 4:00 P.M.

Turn out for at least one Fellowship per year. Everyone is needed. Our's is a Lodge of Cheerful Service.

Don't forget Saturday, November 6th, at Camp Buckeye. With over 800 in our lodge we certainly should have a good showing of hands. This time can also be applied to your O.A. Anniversary Award Patch which will expire after this Fellowship. Neckerchief Slides and Patches will be on sale.

FALL ORDEAL A HUGE SUCCESS
AUGUST 20-21-22
CAMPS BUCKEYE AND TUSCAZOAR

First of all, let's thank the weather for granting Sippo Lodge #377 a wonderful weekend. Over 350 Arrowmen and Candidates were on hand for a super glorious Ordeal. As hoped, everything went like clockwork.

On hand were 133 Order of the Arrow Candidates who were about to take on new Honors, and within 28 hours of initiation were Ordeal Members. 44 Ordeal Members were inducted into Brotherhood at a fine ceremony supervised by Ross Davidson, Chuck Caldwell, Ray Swihart, Rick Haueter, and a well coached ceremonial team.

The food was the greatest with Jack Glazier in charge of a team of wonderful cooks who prepared the food for both camps. There was plenty to eat, as well as seconds and thirds every meal.

Chuck Caldwell who served as Ordeal Master with Tom Borden and "Doc" Vincent as Advisors at Buckeye did an excellent job.

Paul Snyder did a great job as Ordeal Master with Rolla Jackson serving as his Advisor at Tuscazoar. Naturally, there was a lot to do and plenty of helping hands and strong backs willing to do their part. Bob Baker gave many projects to be done...but when these were completed, we sought out more. Our works are always in evidence at the camps.

Pete Denayer, Greg Schario, and their teams did a Herculean job of paper work on checking in. At this year's Ordeal Candidate Breakfast a new deal was presented to them in the form of 1 egg (live), 1 piece of bacon, 1 piece of bread (fresh), cocoa, 2 matches, and 1 aluminum foil pan. Away to the Activities Field they marched, to prepare this feast fit for a _____? All that was necessary was to build a fire and cook the vittles to satisfy their hunger. 36 of the group failed or forgot how to handle this situation and passed up their first breakfast in O.A.

With close to 400 attending, it takes a lot of cooperation and help from so many to make the Ordeal successful...and it was! Thanks to all!

The Camp was cleared at 11:00 P.M. as Vigil Honor Teams were getting ready to take over for their all-night stint at which 8 were to be afforded Vigil Honors. Those who received Vigil Honors after an all-night initiation were: Bob Carmany-Lodge Advisor, Chuck Caldwell-Executive Committee Officer, Pete Denayer-Lodge Secretary & acting Chief, Greg Schario-Lodge Treasurer, Marv Kramer, Harold Smith-Scoutmaster, and Bill Lawrence-O.A. Exec. Comm. Doug Booth was attending Philmont, taking Commissioner's Training and was unable to receive Vigil Honors.

Chairman for the Vigil Honor Committee was Doctor Roger Vincent, assisted by Tom Borden, Joel Carmany, Henry Bunting, Forest Sees, Bill Stewart, Paul Trubey, Bernie Keffler, and a host of other Vigils. We're sorry that Chuck Edwards could not make it.

SIPPO LODGE WILL MISS A GREAT SCOUTER &
ARROWMAN - JOHN "UNCLE JAKE" JACOBS

"Uncle Jake", as he was affectionately known to all in the Buckeye Council, passed away while on a fishing trip in Michigan with Mrs. Jacobs on Saturday, October 16. As District Commissioner of Sippo Lodge and Brotherhood Member of Sippo Lodge, "Uncle Jake" held both Woodbadge and Silver Beaver recognition.

He was one of the Charter members and founders of the Ox Roast and was active in the last one, October 2nd.

His contributions to Scouting are beyond appraisal. He was everywhere doing his part. Nothing was more important than his Scout work. "Uncle Jake" was a person whom we strive to be like sometime during our Scouting career. Sippo District has a king size pair of boots to fill. We shall miss John Jacobs, but his spirit will always be with us.

2375 ATTEND OX ROAST - NEW ATTENDANCE
RECORD - O.A. HELP INDISPENSABLE.

Plans had been made to serve 2400--a huge goal to attain. Who ever would have thought the official turnout for the Annual Buckeye Council Ox Roast would come within a very few persons of this fantastic goal.

The day was beautiful. The pit was opened at 3:00 P.M. and the official taste was made. Oh boy! It was perfect and well done..."fit for a king", someone was heard to say. Yes, the great day was finally here and it was October 2nd--the day so many had been working for. Guests arrived by busloads, truckloads, and in hundreds and hundreds of cars from all over Ohio. It was a proud day for the Buckeye Council Summer Camps as all proceeds go toward their needed maintenance and equipment.

Over 120 Arrowmen were there in uniform and sash to do their part: scoutmasters, leaders, commissioners, committeemen, etc. It was the largest service project, with the largest number of Arrowmen donating their time and labor ever to be assembled at any function in the Buckeye Council. Brotherhood and Ordeal Members seeking hours and vigil members all did

a grand job. We are grateful for the vast amount of effort that each one put into this important event. George Charton did a wonderful job as Traffic Commissioner. Rolla Jackson, as Chuck Edwards' assistant was superb in the dining hall. Ken Oberlin was chief tour guide ably assisted by 5 Arrowmen. The Order of the Arrow also serviced the dining hall, barbecue pit, potato crew, roads, kitchen, and aided the many Ox Roast officials who were in charge of this gala event. Thank you again and again. Your services were greatly appreciated.

ANNUAL CHRISTMAS BANQUET TO BE HELD
DECEMBER 28TH - AT TRINITY UNITED CHURCH
OF CHRIST, FULTON & BLACKBURN ROADS.

Just a note to remind Arrowmen of the Annual Order of the Arrow Father & Son Banquet that is coming up sooner than you think...so save the night of Tuesday, December 28th, for a fine dinner and program.

A good time will be had by all. More in the next issue of the December "STAG". Election of Officers will also be on the agenda. See you at the Banquet!

CLINT BALDWIN - MUSKINGUM DISTRICT
EXECUTIVE - APPOINTED O.A. PROFESSIONAL
ADVISOR.

Buckeye Council's Director of Camping and Muskingum District Scout Executive will be our new Advisor, according to Joseph E. Macy, Scout Executive. Clint will be replacing Bob Baker, our present professional advisor, and also District Executive of the Killbuck District. Bob has resigned to accept a similar position with the Tri-Trails Council with offices in North Platte, Nebraska. Brotherhood Member Baker has been a great asset to our lodge and we will certainly miss him. Lots of luck, Bob, and God speed to you.

ARROWTIPS

Since Wayne Casey, NC. of Nim. District and a Lodge committeeman received his Chiefs commission in the Navy he no less is now on a speakers wheel. Oh what price glory! Congrats to Capt. Dave Hughson, Buckeye Camp director for 1965, he is now a full fledged Professional district scout exec. for the McKinley District. Carl Patterson SM. troop 211 is busy these days showing his baby son and coming Cub Scout these days. Clint Baldwin our Prof. Advisor has been spending all of his spare time looking for a crack in the Buckeye swimming pool...it seems as tho water has been disappearing without leaving any water prints. There are some choice Camp staff openings available for sharp Arrowmen this year, why not contact Clint and declare your intentions. Engineering School is so tough at Dayton U. Joel Carmany had to leave his teakwood cue stick at home...the closest he gets to a pool table is the library. Rumors have it that Pete Denayer has switched from Walsh College to Kent Extension and is working also...no time lost with him. Ray Swihart is now on the Commissioner staff of Nim. District, nice to have you aboard Ray. Bill Wylie is just back from Hawaii, he was there on a special job. (He brought back only one patch from the lodge that he visited and has it sewed in his underwear.) Chuck Caldwell our Lodge chief has a new job as aquatics instructor at the Y.M.C.A. as well as taking a full course of subjects at Kent Extension each evening. Howard Rubin signed on as a reporter for the Stag but as yet we have not heard from him...hope he isn't sending his articles to Brunswick, N. J. Wish Gary Kellog from Minerva would dig up some fresh bits from down his way for the Stag. Wonder how Henry Bunting would look in an Admirals uniform? Tom Borden will probably have a Military wedding in June.

Jim Evans SM. 113 sure missed his Professional Klondike crew this year at Buckeye. Rolla Jackson ADC. Nim. has a new job better be nice to him or he will shut your water off. Jim Beck Lodge Vice Chief finally made Eagle, (there was a little pressure behind the effort because his dad said no car driving till you come home with that "Eagle on your chest") congrats Jim.
