LEADERSHIP

A leader is a person who is going somewhere but not going alone. He takes others with him.

His skill lies in getting up situations in which other people are willing to follow him and are happy to work with him, a precious skill called leadership.

This skill is made up of many qualities--thoughtfulness and consideration for others, and a multitude of other traits.

Fundamentally a leader is one who leads, one who has a plan, one who keeps headed toward a goal and a purpose. He has the enthusiasm to keep moving forward in such a way that others gladly go with him.

such a way that others gladly go with him.

DUES. DUES? DUES!

Do you know why this article is printed in this STAG? Because members of our Lodge have not yet paid their dues. You know who you are. Do you want me to stop printing this article? Then pay your dues!! They are \$4.00 and can be paid at the Scout Service Center or just send them to:

Buckeye Council, Inc.
Boy Scouts of America
P.O.Box 1455
Canton, Ohio 44708

Do you want me to have to do this article next month, too?

TRAIL AWARD?

Our lodge is to develop a connecting link between the Zoar Valley and Towpath trails.

This link will follow the old Ohio Erie Canal towpath and the Tuscarawas River from the southern limits of Massillon to the Fort Laurens State Memorial.

We need the help of scout troops to make this development. The troops could by clearing trail qualify for part of the Historic Trails Award.

NOTE: BROTHERHOOD CANDIDATES

Ordeal members, if you wish to receive your honor at the Conclave, you must attend the Question/Answer session at the Ordeal on Friday, April 16, at 8:00 p.m..
