The Elogamgussit of Sipp-O Lodge #377

## THIS IS YOUR LAST CHANCE TO BE APART OF THE ACTION OF CONCLAVE

The biggest event in Sipp-O history is growing closer. This year's Section C-5A Conclave is sure to be as much, if not more, fun than anything you have ever done. The conclave is scheduled for June 6-8 at 7-Ranges to be hosted by Sipp-O Lodge. Some attractions to look for include: a live band, wild shows, incredible inter-lodge competition, great food, and much more. The entire weekend has been designed to give you a fun, fun, fun time! Another attraction includes the attendance of not only our Region Chief, but also the National Chief.

The cost for this event will be a small sum of \$30; however, we ask that you please send it in as soon as possible before the final deadline on May 23. Our lodge leadership has bragged about the huge number of you who will be there to help make Sipp-O the best lodge in our section. So register now!

Since our lodge is hosting this event, there are many things we need to do to prepare for the arrival of our fellow arrowmen. Therefore, there will be a workday to set things up. This date is May 24<sup>th</sup>. Also for our Friday evening shows we are looking for pictures and slides showing arrowmen in action. These can be from NOAC's, conclaves, ordeals, banquets, or summer camp. These slides or pictures will be returned to each person in the same condition as when we received them. If you have any slides, questions or would like to help at a work day, please call Bart Shaffer at 330-588-8342.

# Chiefly Speaking

My Brothers,

Summer Camp begins in less than a month. At some point between June and August your troop will be spending one fun activity filled week at the beautiful Seven ranges Scout reservation. Many of your troops will be taking first year Scouts down to camp for their first week away from home. As an Arrowman, it is your duty to see that these new scouts, as well as the ones that have been around for while, have a good time at camp. Your troop elected you into the Order of the Arrow because they viewed you as a good leader. YOU were the Scout that they would most like to be camping or hiking with if they were a Tenderfoot. YOU were the scout that helped many of the younger ones set their first tent, or helped them through rank advancement. You owe it to the younger guys in your troop to lead into a fun filled week of Scouting. Remember, you were elected into the Order of the Arrow not for what you have done, but for what you are expected to do!

I encourage you to come down to camp on Wednesday nights and help out. Many Arrowmen are needed both to prepare for the Calling Out ceremony and to put it on. Remember also that the Ordeal is May 30<sup>th</sup> through June 1<sup>st</sup>. Come on down and help our future Brothers enter into the bond of Brotherhood. Hutch's Day is May 31<sup>st</sup>, the Saturday of the Ordeal; this is the day that Sipp-O Lodge sets up summer camp and also prepares for the Conclave, which is June 6-8th. If you haven't registered for the Conclave, DO IT NOW! It is only 30 dollars for a weekend of fun and so many activities to do that it rivals summer camp. The National Chief of the Order of the Arrow will be attending as well as our Central Region Chief. Come on down. Let's show the nation what Sipp-O Lodge is made out of!!

Yours in Brotherhood,  
 Brian Seeton  
 Lodge Chief
