### Chiefly Speaking

Greetings Fellow Arrowmen,

This is my first *Chiefly Speaking* as the new Lodge Chief, and I must say, I have a lot to live up to this year. First off, I would like to send a thank you out to Ross Miltner for his great work as last year's Lodge Chief. I believe he did an outstanding job and it was a pleasure working with him, as I'm sure it will be in the year up and coming.

Now we come to the upcoming year. This year, I hope, will be the best that Sipp-O has seen yet. There are many plans under way and a lot of exciting things coming up. This year we will be reaching out more to

the Districts and provide a hand in Scouts to the source of what scouting is for in the first place. We are also going to focus more deeply on gaining more activity within the Lodge, catching the eye of our new members is very important to us. These things, not to mention talk of the return of a Spring Fellowship, spell out an outstanding year for Sipp-O Lodge.

I have been given a strong team under me, and I am confident in their abilities to make this year one of the greatest. A new year is upon us and there is much to do. I am faithful in my Executive Committee, in my districts, and most importantly, in we, the Sipp-O. As I hope that this year will be one not to be forgotten, and that my term as Lodge Chief will be as well served as those chiefs before me.

In Brotherhood,

Logan J. Mark  
Lodge Chief
