Submitted by Tim Aurand

The Lodge camp good turn project will be at the shooting sports area this year. We will, after all approvals have been met, be extending the roof in front of the shotgun range building so shooting can be done during inclement weather. We will be building a 16 x 16 foot roof extension, out the front of the building. The materials will be delivered. Come prepared to work.

Needed: adults to run power tools and with knowledge of basic construction skills and youth with basic direction following skills.

This will take place on June 11, 2005. Be at 7 Ranges at 9:00 a.m. ready to start.

### Chiefly Speaking

My Brothers~

We are quickly approaching the 2005 Conclave and the time to put the wheels in to motion is now! We are still looking for a vast

number of volunteers for the Conclave, we are going to need at least 100 Arrowmen to pull off a successful Conclave this year. Actually I take that back, to pull off the Best Conclave in the past 10 years!!

Those who come to the Conclave are guaranteed to have an amazing time, full of fun and fellowship. We are going to blow the trees down as we Rock out Seven Ranges with this block-buster event. So if you haven't done so already make sure that you register for the Section Conclave and be there to have a fantastic time.

A lot of plans have been made and now all that is required is to start taking action. We have already begun the Workdays at Seven Ranges to get everything in order for the Conclave, and things are starting to look nice, but there are still a lot of things left to

do, and we could use more help. Remember, the rewards of life are presented through cheerful service and a job well done.

There are plenty of things coming up on the horizon along with the Conclave. The Spring Ordeal for one of them. I look forward to seeing all of your faces at these upcoming events and I am looking forward to the great work that we are going to put into these events. This is an exciting time for Sipp-O, and I encourage all of you not to miss out.

Yours in WWW,  
Logan J. Mark, Lodge Chief
