Chiefly Speaking

My brothers,

It is that time of the year! Summer is here and so is our busy time of the year. We just had a successful Conclave at Seven Ranges and I feel that it started off our busy schedule great! A congratulations to our own Secretary, Chadd Kasper, on being elected to Section Secretary for the next year. We again, are in need of all your help!

Spring Fellowship Recap

The Spring Fellowship was at 7R on the 26th-28th of March. It was a great weekend to be at camp. We played a few games and got a lot of good work done. Saturday morning we went over the various ceremonies that the lodge puts on from HAWK to the Arrow of Light. It was a time for some to learn how to carry themselves in ceremonies and get a taste of how fun it can be. A few of the more experienced CIA (Ceremonial Indian Activity) guys went through how they got their start and they all pretty much said the same thing, come out to summer camp and help out enough to show that you are willing to take on the commitment of learning the lines and the steps and then you just might be asked to play a part.

We also went over the teams for Conclave and had the Conclave Brotherhood team put on a Brotherhood Ceremony for a few of the Arrowmen there. Overall it was a great way to start the summer season. I hope to be able to see you all down at camp and at as many of the Lodge's activities over the summer as you can make it to.

Conclave Recap

The 2010 Conclave was at 7R and it was a blast. All of Section C4-A came out and had a weekend full of fun and fellowship. The weekend started with an opening show put on by a few of Sipp-O's best improv-ers out there, Ben Miller, Chadd Kasper, Jon Reisdorf, Clayton Smith, and Alex Weber. The weekend went on with different training classes in the morning to help Arrowmen become better Lodge Members and better leaders. The Lodge did compete in the Pre-Ordeal ceremony and received an Honors Evaluation but sadly we did not win. The weekend then wound down with the Section Leadership election; Jon Reisdorf was elected to Section Vice Chief, and Chadd Kasper was elected to the Section Secretary. Sipp-O then hosted the after Conclave party. It was themed after a casino. It was a fun filled weekend and we all hope to see you next year!

- Alex Weber -

With our Spring and Fall Ordeal, summer camp ceremonies, and Ox Roast, we will be in need of arrowmen.

I am very excited for the next couple of months and I encourage you to attend all that you can.

I hope to see you all at our next event, Spring Ordeal (first weekend in June).

Let us welcome our newest members to this brotherhood!

Summer Events

June is just about here, and you know what that means, July is right after that, and then we will be in the heart of the Lodge's summer activities, and there are a lot of them. The Lodge put on 4 Ceremonies every week at camp, the Call-Out, Brotherhood, and 2 HAWK Ceremonies every Tuesday and Friday at camp. Not to mention that we will be playing the Camp Staff in some game every Wednesday afternoon, and after last year I think we might show them who is in charge. There are so many ways that you can help out at camp with the order. We need help for all 4 Ceremonies and the game. If you would ever want to help out with some Ceremony at camp, let an Arrowman on camp staff know and they should be able to direct you to the person that will be in charge of it and will be able to tell you how you can help. It is really going to be a great summer at camp. I hope I can see all of you helping out the Lodge some time this summer, and don't forget, if you come down enough days then you might be able to get a CIA hoodie!

2010 Annual Ox Roast

Sipp-O's Annual Ox Roast is quickly approaching. All committees have a firm grasp of what they are to accomplish and are well on their way to having a successful event. Some troops are taking advantage of the free camping this year and have reserved their camp sites. Any troops planning on camping, should e-mail Emerson Roth, Emnewhaven@neo.rr.com and secure their favorite site. This may also be an opportunity to stay at a different site than where you normally camp. While there, you may also want to contact either John McClain or Skip Eidam and check into what projects would qualify for good turn projects.

This is an event that helps us to show case the many facets of the Order of the Arrow; how it is beneficial to the scouter, the camp, and the community. We all have a clear stage to perform the tasks of an Arrowman. This is one of the many ways to portray the Lodge and to help entice others to join and serve. Remember, the only way to lighten your load, is to have others join, volunteer and help.

Once again, we are holding the Ox Roast in conjunction with the Buckeye Council Merit Badge Conference. Most of the classes will be completed by noon. It will be at that time that the Ox Roast meals will be available. But prior to that, Andy Lescallet and his crew will have a \$5.00 cold cut sandwich available starting at 10:30 AM. This still allows for a troop to come back later and enjoy an Ox Roast Dinner.

We are also glad to announce that the tickets are ready for distribution. Kathy Roth will have tickets available for presale. This helps Andy and his crew to have a better idea of how much food to prepare in advance. This year there will be no price difference between presale and door sales. So pre-sell those tickets to your family and friends.

So whether it is the Trade-O-Ree, Silent Auction, Waterfront activities, Hillbilly Games or just a time to visit and share with other Arrowmen, come to the Ox Roast and be an active part of your Sipp-O Lodge.

Westark Chapter News

Westark only has one person who needs to go through Ordeal and is planning on completing it this spring. Everyone else went through last August. That means that all Ordeal members from the old Westark District are eligible to seal their membership in OA by participating in the Brotherhood Ceremony starting with the Spring Ordeal is on June 4-6th at 7 Ranges, or during summer camp.

This year our Chapter is focusing on having as many Ordeal members seal their membership in the Order by converting to Brotherhood. There are several opportunities available this year starting with Conclave and ending with Fall Ordeal (possibly Fall Fellowship). A Brotherhood Ceremony will be held every Wednesday evening at summer camp. All Ordeal members will receive a personal invitation to attend Brotherhood Ceremonies around a month before their Troops go to summer camp, and before other Brotherhood Ceremony opportunities.

This year there is a Troop incentive for promoting Brotherhood Conversion. Any Troop that converts 100% of it's eligible Ordeal members to Brotherhood by the end of this summer, will be rewarded with a pizza party by the Chapter & Lodge.

At the end of last summer, Westark Chapter had 60% of it's active members at the Brotherhood or Vigil level. Let's see if we can make it 100% conversion as a final showing of how great Westark Chapter is, before the merger of the three Chapters.

Anyone interested in helping with Ceremonies this summer, contact Zach Chaffin zdogg724@yahoo.com They will need help with the Wednesday evening Brotherhood Ceremonies, especially Weeks 1, 7 & 8. Help will also be needed with the Hawk Award Ceremonies on Tuesday & Friday evenings at Camp Akela.

If you have any question give me a call at 330-705-4883, or email myself or Daniel Prather (Chapter Vice Chief) at ericprather@sbcglobal.net, or Dan Riggs (Chapter Chief) at danielre2813@gmail.com

Trading Post

Arrowmen, When is the last time you checked out the Sippo trading post? New items are being added almost every month, as the trading post continues to grow in number of items for sale. The Ox Roast will be the perfect time to stop by and see what's new for the lodge. Patches are plentiful, as are t-shirts, neckerchiefs, pocket knives and ball caps. Stop by the trading post and see what you might be missing in lodge memorabilia. We have items that need be cleared out to make way for new inventory. Prices have been reduced to sell; \$5 t-shirts, \$2 pocket flaps and 2008 Quality lodge pins. Stop by the trading post tables at the Ox Roast and pick up that special item to show your Sippo pride.

Silent Auction

This year will be the second year for our silent auction. It is shaping up to be bigger and better than last year with even more items to bid, buy and enjoy. We will have family sized packages to Ohio attractions, golf, outdoor gear, Scouting memorabilia and loads of fun stuff. Remember to bring your wallet, check books and credit cards [Visa, MasterCard and Discovery] as there is sure to be something there for everyone. Once again the auctions will run all afternoon, and the proxy bidder rules will be the same. We look forward to seeing you with all monies benefiting the Lodge.
